(Colonel John - Chocolate Pop, by Cuvee)

2013 Gray/Roan 16.2 Hands

Record: 12-3-3-0 (\$679,130)

Section I: STALLION AND IMMEDIATE FAMILY

Airoforce is Colonel John's most accomplished son. He has the long, lean elegance of a classic Thoroughbred, reminiscent of his sire Colonel John and second damsire, Canadian Champion With Approval, yet Airoforce received precocious speed from his damsire Cuvee. Airoforce was victorious at distances ranging between 6 1/2-furlongs and 1 1/16-miles. Although he competed mainly on turf, Airoforce won a key stake over dirt. His immediate pedigree has dirt and turf attributes.

A magnificent looking \$350,00 OBS April sales purchase campaigned by John Oxley, Airoforce flashed precociousness and speed in his debut, drawing away to win a six-furlong turf sprint by 3 1/4-lengths in a sharp 1:10.34, just a second off the Kentucky Downs track record.

Airoforce dominated the **Dixiana Bourbon Stakes (G3)** by 2 1/2-lengths over a full field of fourteen over the Keeneland turf, including Camelot Kitten, Surgical Strike.

Airoforce faced a full field of high-class youngsters as the favorite in the **2015 Breeders' Cup Juvenile Turf (G1)**. and missed the victory by a neck, after racing in traffic and being distracted in the stretch. He defeated Highland Sky, Dressed in Hermes, and Camelot Kitten, along with international runners.

Airoforce showed his versatility over a sloppy track capturing the **Kentucky Jockey Club Stakes (G2)** by 1 3/4 lengths. He bested Gun Runner, Mor Spirit, and Mo Tom. The Gray colt's efforts earned him 120 on the 2015 Experimental Free Handicap, higher than Gun Runner, Mohaymen, and Exaggerator.

As a 3-year-old, Airoforce placed in the **Penn Mile Stakes (G3)** after a troubled beginning, and just missed by a nose in the prestigious **National Museum of Racing Hall of Fame Stakes (G2)** at Saratoga.

SIRE

The WinStar homebred **Colonel John** (Tiznow – Sweet Damsel, by Turkoman) was capable from seven furlongs to 1 1/4-miles over dirt, turf, and synthetics. He retired as a 4-year-old with a record of 15-6-3-1 (\$1,779,012).

The son of champion sire **Tiznow** flashed precocity as a 2-year-old, winning or placing in all four starts, including a strong second place in the CashCall Futurity (G1), now known as the Los Alamitos Futurity.

At three, Colonel John captured the **Sham Stakes (G3)** and **Santa Anita Derby (G1)**, before finishing a troubled sixth after having to steady in the **2008 Kentucky Derby (G1)**. Colonel John proved himself at the classic distance of 1 1/4- miles in the **Travers Stakes (G1)**.

The following year, Colonel John showed his adaptability with a victory in the one mile **Wickerr Stakes** over the Del Mar turf. After racing in mid-pack and having to go wide in the **Goodwood Stakes (G1)** over Polytrack, Colonel John placed second by a neck.

DISTAFF LINE

Chocolate Pop (Cuvee – White Chocolate, by With Approval) won or placed in four of six starts as a dirt sprinter, and retired with a 6-1-3-0 (\$66,757) record, as the highest earner and most accomplished foal out White Chocolate (With Approval), an allowance class turf miler. Chocolate Pop placed second by narrow margins in the **Love Affair Stakes** and **Busanda Stakes**.

Chocolate Pop's half-sister **Jacolatt** (Twining) is also a stakes-placed dirt sprinter.

Airoforce's second dam White Chocolate is a half-sister to two stakes-winning full sisters by Sweetsouthern saint (Saint Ballado, Halo line); **Saint Knows**, a listed winning turf sprinter and the most accomplished in the immediate family, and **Her Sweet Saint**, a multiple stakes-winning dirt sprinter.

Cuvee (Carson City - Christmas Star, by Star de Naskra) won or placed in six of seven starts as a 2-year-old from 4 1/2-furlongs to a mile.

After capturing his debut by 6 1/4-lengths, Cuvee was equally impressive in the 5 1/2-furlong **Kentucky Breeders' Cup Stakes (G3)**, dazzling by 8 1/4-lengths. After placing a troubled third in the **Bashford Manor (G3)**, Cuvee returned to his spectacular ways, dominating the **Saratoga Special (G2)** by 7 1/2-lengths and defeating Pomeroy, Limehouse and El Prado. The **Belmont Futurity (G1)** was no contest for the contenders as Cuvee won for fun, speeding away to a 8 1/4-length victor over Value Plus.

2019 STALLION MATING ANALYSIS

Cuvee's distance limitations were uncovered in the **2003 Breeders' Cup Juvenile (G1)** when he tried two turns for the first and last time in his career. He stalked the pace four-wide for five furlongs and tired to twelfth place.

Cuvee returned as a 3-year-old to place in the listed **Matt Winn Stakes** and **Kentucky Cup Sprint (G3)** but finished out of the money after a rough trip in the **2004 Breeders' Cup Sprint (G1)**. After four years at stud, Cuvee was relocated to Turkey.

Cuvee is the sire of 29 blacktype earners.

Section II: STALLION ANCESTRY AND BREEDING PATTERNS

Airoforce has no inbreeding in his first four generations.

His fifth-generation shows a cross of **In Reality** through Airoforce's sire tail line, and through his third damsire, **Known Fact**. There is also a cross of **Raise a Native** through **Alydar**, the sire of **Turkoman**, and **Mr. Prospector**, the tail sire of **Cuvee**.

The [sixth-generation](#) includes a cross of **The Axe** through Airoforce's sire tail line and in the bottom through **Al Hattab**, Airoforce's fourth damsire. **Northern Dancer** is present in four positions, three through Colonel John, (**Lyphard**, **Nice Dancer**, **One For All**) and on Airoforce's distaff side through **Cool Mood**, the second dam of **With Approval**.

The sixth-generation also shows the half-siblings **On and On**, the damsire of **Alydar** through Colonel John's pedigree and **Tim Tam**, the damsire of **Known Fact**, Airoforce's third damsire.

Inbreeding to [Renes de Course](#) has shown notable success. Airoforce has [13 Renes](#) throughout his pedigree, with My Dear Girl, the dam of In Reality, and **Raise You**, Raise a Native's dam, appearing four times.

Other [Key Names](#) in the pedigree include **Caro**, **Buckpasser**, and **Blushing Groom**, on the distaff side, and **Seattle Slew** and **Damascus** on the sire side.

[Dosage](#) is used in breeding to show the overall composition and strength of the pedigree. Airoforce's dosage pattern shows strong brilliant and classic points through his first five generations.

Buckpasser	1963	1	Tom Fool	1949	Busanda	1947	M	1-x		
<p>BUCKPASSER, 1963. (Tom Fool-Busanda, by War Admiral). An outstanding racehorse, he carried on as a leading sire. Was linebred to TEDDY, descends from LA TROIENNE and carries a WAR ADMIRAL daughter so is splendidly equipped to star in any linebreeding exercise. The US sire DILIGENCE (Miswaki--Honeytab, by Al Hattab), who won three stakes races including the Gr II Tom Fool Hp, was line bred to Buckpasser 3f x 4m. Several other successful gallopers carried Buckpasser through daughters. The Canadian champion 2YO TALKIN MAN (With Approval-Pookette, by Miswaki) was a prime example.</p>

<p>BUSANDA, 1943 mare. (War Admiral-Businesslike, by Blue Larkspur). Makes an impact in the linebreeding world as the dam of BUCKPASSER. Her dam was a half sister to BIMELECH, both being ex LA TROIENNE.</p>										
Grey Sovereign	1948	1	Nasrullah	1940	Kong	1933	M	6-f	GR	
<p>REY SOVEREIGN, 1948 (Nasrullah-Kong, by Baytown). A sprinter and leading juvenile sire in the UK. Kong also produced NIMBUS and the filly CONGO. The triple Australian GROUP I winner HEROICITY carried three Grey Sovereign lines. MILLKOM (Cyrano de Berge-Good Game, by Mummy's Game) won a Gr I double in France and the Gr I Man O'War Stakes at Belmont Park. He carried Grey Sovereign in the fourth remove through a son Sovereign Path and a daughter Money For Nothing. Millkom is at stud at Newmarket, England.</p>

<p>IN REALITY 1964 (Internationally-My Dear Girl, by Rough 'nTumble). Was a small galloping wizard, who won 14 times from 27 appearances. Led the USA 2YO sire premiership in 1977. The 1998 US champion 3YO filly BANSHEE BREEZE (Unbridled--Banshee Winds, by Known Fact) was linebred to In Reality in the third and fourth removes.</p>										
Mr Prospector	1970	1	Raise A Native	1961	Gold Digger	1962	M	13-c	B	
<p>MR PROSPECTOR (Raise A Native--Gold Digger, by Nashua). Has a wonderful affinity with the Northern Dancer line, the catalyst being Native Dancer carried in the cross, through a son and a daughter. His sons Down Under had the penchant to leave runners with an affinity with rain affected ground. Very few runners appear to be line bred to Mr Prospector in a sex balanced pattern. The horse is still very much up front in pedigrees. The juvenile WAKI AMERICAN from the first crop left by Latin American was inbred to MR PROSPECTOR through male and female lines. In New Zealand the homebred horse HIS EXCELLENCY (Roughcast US- Gem in the Rough US, by Mr Prospector) has an important Mr Prospector factor.</p>										
Nashua	1952	1	Nasrullah	1940	Segula	1942	M	3-m	B	
<p>NASHUA, 1952 (Nasrullah-Segula, by Johnstown) Has the flair to upgrade pedigrees when duplicated through a son and a daughter. An important factor in the MR PROSPECTOR saga, being that great influence's damsire. SEGULA also left SABETTE and STAVROULA. The TesioPower bloodline computer programs carries 38 stakeswinners line bred to NASHUA. One was the champion USA 3YO filly HOLLYWOOD WILDCAT with her Kris S /Mr Prospector cross. She carried NASHUA 4 x 4 through daughters. The Argentina bred LAZY LODGE (Lodge-Lazy Fables, by Babas Fables), who won the Hollywood Turf Cup carried Nashua through a son and daughter in the fourth remove.</p>										
Native Dancer	1950	2	Polynesian	1942	Geisha	1943	M	5-f	GR	
<p>NATIVE DANCER 1950, (Polynesian-Geisha, by Discovery) is probably the most influential individual in linebreeding exercises as the 21st century approached. Statistics show that 78 per cent of runners carrying two strains or more of Native Dancer win races and 28 per cent annexe stakes races. Many of the great nicks, in particular the influential Northern Dancer-Mr Prospector and the Northern Dancer- Blushing Groom crosses have gained impetus through Native Dancer's presence, through a son and a daughter. In early 1995 commentators drew attention to a burgeoning nick involving Danzig over Alydar mares. This had produced three Group I winners from only 12 raceday representatives. Native Dancer was the catalyst, being carried through a son and daughter in the exercise. The outstanding British middle distance star HALLING carried Native Dancer through a son and a daughter in the fourth and sixth removes, showing he's readily available still in contemporary pedigrees. A rather controversial 1980 horse DANZATORE (Northern Dancer-Shake A Leg, by Raise A native) was purchased at considerable expense for stud duty. He was inbred to Native Dancer through male and female lines. He was later transferred to the USA winding up in Texas. However, when he was carried further back in pedigrees as a damsire his Native Dancer presences saw his fortunes soar. The 1999 E P Taylor St winner INSIGHT (Sadler's Wells -Or Vision, by Irish River) had the male /female Native Dancer presence carried through Northern Dancer's dam NATALMA and RAISE A NATIVE in the dam.</p>

Nijinsky II	1967	1	Northern Dancer	1961	Flaming Page	1959	M	8-f		SW

NIJINSKY II 1967 (Northern Dancer--Flaming Page , by Bull Page). Is approaching the stage where he will be leaving an impact in a linebreeding sense. The outstanding ANZ champion VEANDERCROSS has prefaced his influence in spectacular style. The \$NZ 1400 purchase, who went on to win \$NZ 3.5 million is inbred to NIJINSKY II through a son and a daughter.

Nijinsky II took time to assert himself as a line breeding influence but as the years passed he came into his own. The New Zealand three-year-old BUZZ LIGHTYEAR (Gold Brose AUS-Excitable KID US, by Youth) won the Gr I pair the NZ 2000 Gns and Bayer Classic and the NZ Derby Trial in succession. He carried Nijinsky II through male and female lines in the third and fourth removes.

The 1999 New Zealand 2000 Gns & Bayer Classic winner BUZZ LIGHTYEAR (Gold Brose - Excitable Kid by Youth) was linebred to Nijinsky II through male and female lines in the third and fourth removes.

NORTHERN DANCER	1961	4	Nearctic	1954	Natalma	1957	M	2-d	B	
-----------------	------	---	----------	------	---------	------	---	-----	---	--

NORTHERN DANCER (Nearctic-Natalma, by Native Dancer). This legendary figure had a bonanza 1995 as a linebreeding presence. The Epsom Derby winner Lammtarra, who scored when beginning a new campaign, carried Northern Dancer through a son and a daughter. The English 2000 Guineas success Pennekamp boasted two male Northern Dancer lines plus Bubbling Beauty, a half sister to Northern Dancer's dam Natalma.

Down Under the Sydney Golden Slipper Stakes for two-year-olds was annexed by Flying Spur, who carried Northern Dancer through a son and a daughter along with his half sister Spring Adieu. An Arrowfield Stud product, Flying Spur was by Danehill ,whose climb to stardom was boosted by the Northern Dancer /Spring Adieu duplication.

Studies by Alan Porter, an English authority working in New York, showed that Northern Dancer presences had a remarkable affinity with Teddy. Among the quality performers carrying NORTHERN DANCER through sons only, something like 78 per cent carry a male line through LYPHARD or NIJINSKY II when these two are represented through female factors. NORTHFIELDS is another in this category when the Northern Dancer circumstances are examined

This is a challenging situation for buffs to explain.

RAISE A NATIVE	1961	2	Native Dancer	1950	Raise You	1946	M	8-f	CH	
----------------	------	---	---------------	------	-----------	------	---	-----	----	--

RAISE A NATIVE (Native Dancer-Raise You, by Case Ace) This fellow is now a proven name in the linebreeding firmament. Foaled in 1961, Raise A Native is now featuring far enough back in family trees to make a major impact. He's now being duplicated in the "engine room" - say within the third and fourth removes - and should have an exciting future. Four Northern Hemisphere stakeswinners were linebred to him in 1993 and this had doubled in 12 months according to statistics in the "Owner-Breeder."

In 1998 there were something like six stakeswinners a month carrying Raise A Native duplications. In October 1999 there were 10 prestige winners carrying RAISE A NATIVE doublings

Subsequently Alan Porter reported that by June 2001 182 restricted stakeswinners had been linebred to Raise A Native.

The 1998 Kentucky Derby winner the \$27,000 yearling purchase REAL QUIET (Quiet American--Really Blue, by Believe It) was linebred to Raise A Native through a son and a daughter in the third and fourth removes.

Raise You	1946	2	Case Ace	1934	Lady Glory	1934	F	8-f	CH	REINE
-----------	------	---	----------	------	------------	------	---	-----	----	-------

RAISE YOU. 1946 ,(Case Ace-Lady Glory, by American Flag). Has a high profile as RAISE A NATIVE's dam. Has a daughter MY SISTER KATE, who could strike riches in a linebreeding sense when duplicated with RAISE A NATIVE.

Round Table	1954	1	Princequillo	1940	Knight's Daughter	1941	M	2-f	B	
-------------	------	---	--------------	------	-------------------	------	---	-----	---	--

ROUND TABLE, 1954, (Princequillo-Knight's Daughter, by Sir Cosmo). Belongs to the great FEOLA syndrome. Sends thoroughbred families into orbit when he is duplicated personally or with his sisters MONARCHY and LOVE GAME. Part of the SIR TRISTRAM success story.

MIGHT AND POWER , rated the world's top stayer in 1997, was line bred to ROUND TABLE through a son and daughter in the fourth remove. Might and Power was by ZABEEL, who has left many top racehorses line bred to the ROUND TABLE syndrome.

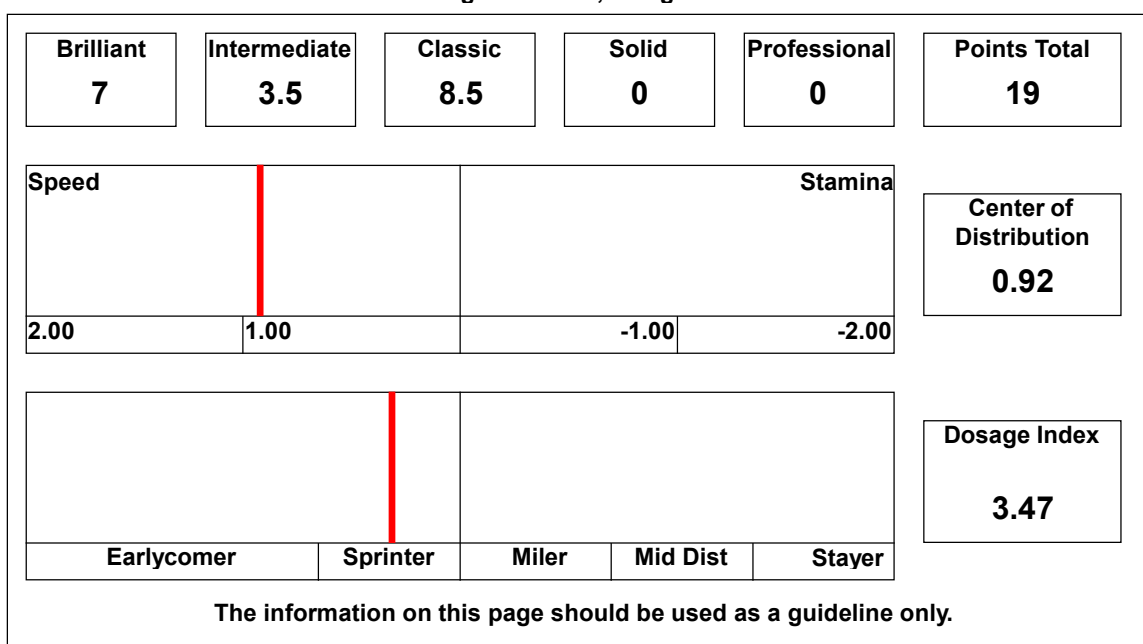

The remarkable New Zealand stayer JEZABEEL (Zabeel-- NZ-Passafleur, by Vice Regal NZ), who took the 3200m (2m) Auckland and Melbourne cups was linebred to ROUND TABLE and MONARCHY in the fourth remove.

Tom Fool	1949	1	Menow	1935	Gaga	1942	M	3-j	B	USA
----------	------	---	-------	------	------	------	---	-----	---	-----

TOM FOOL 1949 (Menow-Gaga) Was a powerful adjunct to the New Zealand Bayer Classic (Group I) winner Al Akbar. The 1996 Kentucky Derby winner GRINDSTONE was linebred to Tom Fool. as was Aussie's top juvenile colt and durable multi Group I winner INTERGAZE. A great adjunct to line breeding pursuits.

This is a 20/20 Mating

A 20/20 mating occurs when a pattern has two or more Graded Stakes Winners with CSI values above 20. This indicates that this mating is excellent as there are at least two superior horses with a very similar pattern.

Note

Breed your stallion to the best available mares, especially for his first few crops. That means the best mares that you can afford, by stallions that get a high percentage of winners and stakes winners. Look for broodmare sires with a higher AEI than their CI.

Just because a sire is listed as a possible fit, doesn't mean that sire is a good broodmare sire. For instance, as a broodmare sire, Grindstone's daughters have produced just 20 stakes winners, 3% of total runners, and an AEI of 1.19.
