### **BREEDING**

The skilled staff at Solitude Thoroughbreds handles stallions and mares with the utmost care; finding the perfect balance between professionalism and appreciation. Pre-breeding preparation, testing, and personal observation have proven to be a winning combination for successful breeding on site.

### **FOALING**

We will foal out your pregnant mare and provide routine care for the newborn foal. Accepting a limited number of mares with potential foaling dates from January 1 - May 30

### **BOARDING**

Boarding for mares, yearlings, and more is available. Our pastures are clean, safe, and well maintained. Many of the horses can be seen from our home on the grounds, enabling us to monitor on a continuous basis. Stalls are available during breeding season for breeding stock.
